Mr. George Dalbergs  
President  
Niagara Corvette Club  
St. Catharines, Ont.

Dear George:

**Re: Donation - \$11,050.00  
(2006 Niagara Corvette Car Show)**

Congratulations to the members of the Niagara Corvette Club for another successful car show and on behalf of the more than 2900 children with physical or communicative disabilities who depend on the Niagara Peninsula Children's Centre to make a positive difference in their lives, sincerest thanks once again for your continued support.

In the Corvette Club's case, the old adage "bigger and better" certainly holds true. The show is annually increasing in popularity and the Rief Winery location on the beautiful Niagara Parkway truly adds to the event.

The fact that your show attracts such a large number of entries and hundreds of local and tourist visitors speaks volumes about the event's quality, and the enjoyment derived from it.

It is also a tremendous pleasure for us to be involved with such a remarkable fundraising event hosted by the many pleasant people who make up your club.

This latest donation of \$11,050.00 brings to more than \$250,000.00, the amount donated to the Centre over the years by the Corvette Club. Your members should be extremely proud that they have bettered the lives of thousands of children who have been treated by Centre therapists. We are looking forward with great anticipation to the 2007 show on Sunday, July 22.

With very best wishes, I remain,

Yours truly,

Jim Marino
