Here we are in July and the summer season is truly upon us; gardening, mowing the lawn, BBQs, cruise nights, etc. And if you check our club's social calendar, there are numerous car related events to participate in, both with our club as well as other area Corvette clubs, etc.

In June, Larry and Michelle put on our 4th annual road rally with 11 Corvettes starting at the Port Colborne CTC parking lot. After an interesting drive through the countryside and most of Dunnville, we all arrived at the Copeland's for supper and refreshments. The outright winner of the rally was Georgina and Tim Conway with a three-way tie for second place. Larry used a tie breaker to determine final position with all the entrants having to write a "clean" limerick. As a result of the tie-breaker, Gloria & Dave came in 2nd and Wendy & Jake came in 3rd. The food, provided by Chris & Roger was fantastic and plentiful and everyone had a terrific time. Thanks to Chris, Roger, Michelle and Larry.

The following week, Marilyn and I drove the Vette to Sudbury to play tourist and then participate in their annual car show. We had a chance to visit Dynamic Earth, going underground to see how mining has evolved over the century, watched a couple of I-Max shows on the Great Lakes and Secrets of the Pharoahs, took a simulated submersible ride to watch sperm whales and sea worms and also took a 3-D flight in an old Beaver bush plane – lots to do at Science North.

The Sudbury car show was held, once again, on the shores of Lake Ramsey at the Science North site with over 450 cars and motorcycles participating. They also had a D-J as well as a live band and a visit from the "Blues Brothers". All in all, the weather held out for the day and the Sudbury club collected over 7,000 lbs. of food as well as over \$36,000 for the food bank. Great job. If you have a chance to take in this show next year, do not hesitate to drive north; the hospitality in the north is fantastic.

On Sunday morning, the Sudbury Corvette Club, in conjunction with Quad C, held a sponsors appreciation brunch with about 90 people participating with representatives from COD, PRCC, BCC and others. Virtually everyone there received a door prize from the sponsors. This was a class event for both Quad C and SCC.

Last Friday, a group of our members met with a contingent from Capital City Corvettes from Columbus, Ohio. They had 25 Corvettes and a Saturn Sky visiting the Niagara area. They had a great tour of the Reif Estate Winery, conducted by Klaus, with an extensive wine tasting afterwards. The total group then had a picnic lunch arranged by Eva at the B&B. The US group were overwhelmed by Klaus and Eva's hospitality and a few of them are planning to come back for our car show on the 27th. They also extended an invitation to our members who may be planning to attend the Corvette Caravan to the Museum next year. It would be fantastic to be able to get so many of our members together for a weekend trip. What would it take?

Saturday, was the wine and cheese party at the Goosen's celebrating the club's 35th anniversary. We had a reasonably good turn out with Klaus and Eva again providing the cheeses and the appropriate wines to complement the cheeses. Great pairings that all "schmeckt gut". We also had the pleasure of having Rick Zahorchak, one of the early presidents of the club, present and he brought some photo albums showing the early days of the club, as well as several club jackets and T-shirts and spoke of some of the club antics in those days. It was a great event, watching the sun set from the balcony overlooking Lake Ontario. Thanks to Darlene and Stan for their hospitality, Eva and Klaus for the wine & cheese tasting as well as Glennie, Wendy and Helen for the rest of the food and organizing the whole event. Once again a job well done.

Our next big event is the annual car show on the 27th at the Reif Estate Winery. We need the participation and help of all of our members to continue making this event the success it has grown to be in the past several years. Please do not hesitate to pitch in wherever needed.

Based on the meetings with Corvette owners from Ohio, Sudbury, Wisconsin, etc. it is really true that once you own a Corvette, you have friends wherever you go. The kinship is apparent so travel with your Corvette and make friends all over. Please review the schedule of events and participate in as many as you can. Remember, our social events are open to ALL members, so check the events calendar.

Enjoy your Corvettes and Save the Wave!

George

President's Report: Attendance 45

- Thank you Larry & Michelle Schmor for organizing and running our 4th Annual Road Rally. We had 11 cars participate and no one got lost.
- Thank you to Chris & Roger Copeland for hosting the after rally dinner at their home; a great time was had by those present.
- Marilyn & I, along with Leslie & John attended the Sudbury Corvette Club's Show at Science North. They had 400 cars present, along with a live band & DJ on the shores of Lake Ramsey. They raised over \$36,000.00 as well as over 7,000 lbs. of food for the Sudbury Food Bank. On Sunday, they hosted the Quad C sponsor appreciation day with a brunch. About 90 people participated in this event and everyone present received a door prize.
- Klaus & Eva hosted the Capital City Corvette Club from Columbus, Ohio who were down for a tour of Niagara. They had 25 Corvettes and 1 Saturn Sky on this weekend trip. Klaus provided his personalized tour of the winery operation and wine tasting and Eva provided a great picnic lunch for the group. We had 7 of our members join these folks to participate in the wine tasting and lunch. A couple of the Columbus visitors are now planning to come back up for our show on the 27th and they have also invited our members to join their club in the Caravan to the Museum being planned for 2009. George read a thank-you e-mail received from Dave Williams of the Columbus group.
- I would also like to thank Darleen & Stan Goosen for hosting our 35th anniversary wine & cheese party. There were 28 of our members present to celebrate and enjoy the food and the specially-selected cheeses and wines supplied by Klaus and Eva. Also, Stan had invited Rick Zahorchak, one of our early Presidents, to reminisce about the early days of the club and show off some photos, club jackets and T-shirts from the early days.
- Once again, a great big thank you to Klaus and Eva for hosting the visitors and supplying the wine & cheese party with all the essentials. Thank you.
- The A & W on Lake Street in St. Catharine's are now holding a cruise night each Monday with a DJ, 50/50 draw, participant's draws and also a raffle for a Garmin GPS unit. The parking lot is small, so it is imperative to arrive fairly early, but a good little cruise.
- GM Engine Plant Open House & Show – sign up with Wendy Lindberg. Willy stated they are almost booked up now.
- Sign up for Wills Super Chevy Show
- Welland Cruise Night @ Seaway Mall started last Friday; their new location is also very crowded.
- Discuss SHOW involvement - we still need VOLUNTEERS.
- Lincoln County Car Show on Friday, September 5, 2008 will take place at the old fair grounds infield. Tim stated when the fair grounds are relocated, this could really take off and NCC should keep involved.

➤

- Wilf discussed pending Shows, along with information on the Holiday Valley events.
- The Simcoe Show on Aug. 3, those interested, please meet at Tim Horton's in Cayuga by 8:00 a.m.

- Buffalo group are hosting their 25th Show in Lancaster NY on Aug. 30th – they have 22 Classes
- A & W Coupons available on the table for those interested.

Secretary's Report: (Glennie)

A fly in my beer!

One day an Englishman, an American, and a Canadian walked into a pub together. They proceeded to each buy a pint of Molson Canadian. Just as they were about to enjoy their beverage three flies landed in each of their pints.

The Englishman pushed his beer away from him in disgust.

The American fished the offending fly out of his beer and continued drinking it as if nothing had happened.

The Canadian picked the fly out of his drink and started shaking it over the pint, yelling... "SPIT IT OUT, SPIT IT OUT YOU BASTARD!!!"

- First of all, **Michael & Carolyn Szczurek** of Southington, Ohio. They have a 2007 Monterey Red Coupe. Although they are from Ohio, they spend quite a bit of time in this area and have decided to join a Canadian club. They plan to be at the engine plant open house in August. Hope to see them out at a meeting soon.
- Second is **Judy and Roger Peck**. They are both from Great Britain but have family in the Grimsby area. They have purchased a 2001 Silver Convertible from Will Chevrolet and have joined as complimentary members this year. They plan to spend more time in Canada next year and we hope to meet them at that time.

Welcome to you all and we look forward to meeting you soon.

*Hertz adds more fun to rental
collection with special Corvette*

Limited to 500 Cars across the US

You've probably heard of the term, "Hertz Mustang" before. It refers to a special Mustang, officially known as the GT350H, which was developed by Shelby for the Hertz rental car company. The famous black and gold-striped Mustang made its return to the Hertz fleet celebrating its 40th anniversary back in 2006 as the star car in its Fun Collection. The following year, Hertz offered a convertible version of the very same car.

For this year's fun collection, Hertz is kicking things up a notch. It will be offering a special rental version of the Chevrolet Corvette called the ZHZ.

Mr. Tom Wills,
Wills Chevrolet-Corvette Ltd.
Grimsby, ON

Dear Tom:

We thought it appropriate to formally thank you for your handling of the purchase and enhancements on our new corvette, (which we totally LOVE, of course).

Your sales person Dan Wilson was very knowledgeable and friendly and DID what he said he would do!

Now comes the tricky part – the custom hood!

Your body shop I'm sure would cringe when they heard our names after their various attempts to match the paint on the Jetstream Blue car. To their credit, they never gave up, didn't make us feel uncomfortable and you personally didn't give an inch, saying "it will be a perfect paint match – otherwise we keep at it until everyone is happy". We also much appreciated you offering to buy the hood from us, if at some point we got too discouraged with the whole process.

As is turned out, your paint supplier – during that time was extensively testing the 'new colour' and they couldn't get it right either. When you switched to the other paint company – your first attempt was PERFECT!

We were getting a bit discouraged and upset, but after talking to you we always went home feeling confident that we would end up happy with the results.

We know it has cost you a substantial amount more to prepare and paint the hood than your price quoted to us, and we appreciate you charging us the original amount. As Jake said, we wouldn't have minded paying somewhat more, but your insistence was appreciated. I'm sure any other body shop would have found an excuse to charge us more.

We don't know what else we can say other than we would highly recommend your dealership to anyone looking to purchase a car, and we also think you should change the name of your dealership to:

INTEGRITY MOTORS...by the Wills Family.

Respectfully,

Jake and Wendy Bas
