Dear Mr. Dalbergs:

**Re: Donation - \$15,200
(2007 Niagara Corvette Car Show)**

On behalf of more than 2,900 children with physical or communicative disabilities, I would like to thank the members of the Niagara Corvette Club for their continued support. The recent donation of \$15,200, proceeds from the 2007 annual car show, will certainly help provide necessary therapy that will make a positive difference in the lives of many children in the Centre's care.

This latest contribution brings the grand total over the years to \$265,000, an outstanding achievement of which your members can be justly proud.

They can also be proud of the fantastic car show that gets more popular with each passing year. The variety of vehicles that are always showcased are greatly appreciated by all visitors and the venue on the beautiful Niagara Parkway certainly adds to an outstanding family event.

Congratulations to the organizers and members of the Niagara Corvette Club for another successful car show and sincerest thanks once again for caring so much about Niagara's children with special needs.

With very best wishes, I remain.

Yours truly,

Jim Marino
