Corvette Assembly Plant Facing Further Downtime

Vice-President: Harold Anders

E-mail: handers@cogeco.com

GM employees were notified on Monday about plans for additional shutdowns at the Corvette Assembly Plant in Bowling Green, Ky. Starting Monday, March 30th, the Corvette plant will close for two weeks, then reopen for a few weeks before closing again. Hourly workers will be temporarily laid off during those down times.

The plant is scheduled to be closed during the first two weeks of April, first two weeks in May and then two weeks in June which will probably coincide with the changeover to the 2010 model. The closings affect not only the lives of the great people that work at the plant, but customer tours and museum deliveries are also impacted.

BG Assembly Plant Communications Director Andrea Hales said news of the shutdown did not surprise workers. "I think our employees expected more downtime because they follow the sale of our products very closely," she said. "So I think our employees were expecting some sort of scheduling announcement."

From the President

Spring is finally here with the warmer weather, early flowers making their appearance and the grass getting greener. It will soon require cutting. We have both our toys on the road and it seems that every time we go for a drive, we see more and more "collector" cars on the road. It's about time.

Along with the spring season, our events calendar is filling in nicely and I would certainly like to see more of our members participating in the scheduled events. For the newer members, please don't be shy and sign up for any of the events that appear to be of interest to you. We seem to have a core group of members who can be relied to participate, but then there is the rest. Why don't you come out? In most cases, the cost is nominal, if not free, and it provides an opportunity to meet the other members and socialize with them. They are a great group!

Our next social event is the fish fry for Friday, April 17 leaving from Bas Farms in Port Colborne at 5:45 pm. Nice short country drive to Fort Erie for a fish dinner and then back to Welland for some ice cream. What better way to spend a Friday evening?

The major event of the Spring season is the Spring Cruise, this year organized by the Western NY Corvette Club. We will meet at the Fort Erie Duty Free, leaving their parking lot at 8:00 to meet with the WNYCC in Buffalo. The route this year will take us through the Alleghany National Forest to Bradford, PA for a visit to the Zippo Museum. From there we will drive to Lake Kinzua for a late lunch at the Marina and Dockside Café and then a leisurely return to Ontario. At this time we have 11 couples signed up but all are welcome – just call me or be at the Duty Free before 8:00.

There are several other social events planned for the rest of the season. Please review the attached social calendar for the club. There is also a calendar for automotive events that are arranged by other clubs, which may be of interest to our members. Do not hesitate to enjoy them.

May is the start of the cruise night season. If you are planning to attend any of the local cruise nights, be sure to pick up some of our club's show flyers to distribute at the cruise night. It provides a nice means of talking to other car owners and an opportunity to promote our show. Also, we will have more sponsorship letters to hand out at the May meeting, so do not hesitate to pick them up and solicit contributions. The Children's Centre needs additional support this year as a result of the economic situation in this area. This presents a challenge to us but we need to exceed the success of last year's show.

See you all at the May meeting.

Happy Corvetting and remember to Save the Wave!

George

Minutes from Last Meeting

Date: Tuesday, April 7, 2009 **Attendance:** 36 , **Meeting Started:** 8:03

George Dalbergs expressed the clubs condolences to Jake & Wendy Bas on the passing of Jake's mother on March 23, 2009.

President's Report: George Dalbergs

Old Business:

Bowling Night was held on March 28 with 8 couples showing up at the Cataract Bowl in Niagara Falls. Willy Wilkinson had the high score while Marilyn Dalbergs was deemed the most consistent player (?). Margaret Keighan showed the most improvement from the first to the second game. Afterwards, we all had supper at Johnny Rocco's. A good meal and great socializing. Thanks to Wendy and Jake for organizing this event.

The Sudbury Club will be renting the Dunnville Autodrome on Friday, July 24 from noon until 4:00 PM for a track session. Our members are welcome to join them, as are the Hamilton Club's members. More details, along with the costs and a sign up sheet will be brought to the next meeting.

Reminder that May 3 is our annual Spring Cruise with the WNYCC. A Cruise to Bradford, PA. and the Zippo Museum followed by lunch at the Dockside Café at Lake Kinzua. A sign up sheet is available for interested members.

Reminder that the Fort Erie Fire Department is planning to have a car show on **Sunday, May 31** from 9 AM until 4 PM with proceeds to the food bank

The club is planning for a Fall weekend cruise to Camp Dorset this month and we will be requesting a deposit to book the accommodations. A sign up sheet with description of the accommodations is being circulated at the meeting. Please bring your deposit to the next meeting .

New Business:

George reported on his attendance to the technical session held at Wilson-Niblett Chevrolet in Richmond Hill on March 28. They had 3 Corvettes and a new Camaro in their show room and all their service bays were full of Corvettes of all kinds, including several race cars and a ZR1.

Ron Fellows was on hand giving an overview of Corvettes plans for the ALMS series this year. It appears that Ron is partnering with Peter Klutt of Legendary Motors and they will be preparing a NASCAR Racer – 3 races this year and hoping for a full season next year.

Reeves Callaway was present as well and he unveiled a Callaway at Wilson-Niblett. W-N is the first and only authorized Calloway dealer in Canada – over 600 HP with upgrades to suspension & brakes, etc. Only \$23,000 over purchase price of a Corvette – cheaper than a ZR1

The club has received the 2009 Calendar of Events that is published by the Clutch Artists of Buffalo. It lists all car shows and cruise nights; primarily in the U.S. and it also includes our car show for July 26.

Vice-President's Report: Harold Anders

Harold has diligently been doing a follow up on pins, banners, club clothes including new club jacket designs. He asked that those who have not shown a preference of styles or designs from the brochure provided, could they please do so as he would like to have Joe Toth come to our May meeting and hopefully make some decisions so we can have our items by June and consequently have them for our annual Car show in July. Harold modelled the previous club jacket design for the members. Tim Conway asked if their would be any ball caps available as well.

Tom Atherton wanted to know what had happened with the 35th anniversary plan we had discussed. George explained that it was still in the works .and part of the efforts Harold was working towards. Klaus had suggested we get a good quality jacket and the extra cost be offset by the proceeds saved for this purpose from the Rief Wine sales of our 35th anniversary wine.

Harold announced several upcoming events with various clubs in the near future. They will be listed on the Events page of the newsletter

Secretary's Report: [Carol]

Treasurer's Report: Gloria and Dave Drake

Gloria is away but passed on the message for George to report that our club finances are in good shape.

Minutes from Last Meeting

COMMITTEE REPORTS:

Social Committee: Wendy Bas

Wendy reported on the bowling night previously mentioned in the minutes.

Wendy has organized a Fish Fry scheduled for **Friday, April 17**. We will meet at Bas Farms at 5:45 and then drive to the Loyal Order of Eagles in Fort Erie for the fish dinner. All proceeds go to charity. We will then drive to Welland for Ice Cream afterwards. A Sign up sheet being circulated.

The clubs Spring Cruise is **Sunday, May 3** to Bradford, PA with the WNYCC. They would be interested in knowing how many of our members plan to participate.

Larry Schmorrr is organizing the Annual Road Rally for **Saturday June 6th** with a BBQ to follow at Roger Copelands home. All donations of food are welcomed, although a great luncheon will be provided. There will be a digital scavenger hunt at the Mytroen residence on **June 20th or 27th** after which there will be a BBQ. More details to follow.

On **Saturday July 11th** is the St. Catharine's Downtown Car Show and volunteers for parking are needed. They will donate to our Children's Centre fund.

Saturday August 15th is the Annual Vette –together held by Jake and Wendy Bas at their farm. This is one of the highlights of our summer activities thanks to the hard work of Wendy and Jake.

649 Draw Carol Hill drew this weeks numbers.. 32, 1, 14, 7, 36, 26.

Show Committee: Dave Drake

Dave is away but George Dalbergs reported that we have flyers and letters available for all members to begin solicitation for sponsors. We are asking for \$100 for sponsorship, but obviously we will be pleased to accept the \$85 that were the fees previously. In addition to sponsorships, we are also looking for draw prizes as well as items for our goodie bags. Do not be shy to solicit contributions. It is all for a great cause – the Niagara Peninsula Children's Centre and they need additional support this

Marilyn Dalbergs suggested we cut costs a bit by only having a 1st and 2nd place winners. The general feeling of members was that we should keep the 3rd place winner and the new increase in donation funds should offset the expense.

Newsletter: Ian Bell

Ian requested any address or e-mail changes be forwarded to executive ASAP, and any new business cards for update of advertising sheet.

Round Table: -

Ian received a well deserved applause for his terrific work on our newsletter.

There was a lengthy discussion of on how to best showcase our “winners” at the upcoming July car Show. Suggestions of the ramp , or a winners circle, and a designated winners area were all put forth by members Wendy Bas, Gail Anders, Willy and Glennie Wilkinson. Tim Conway and Jake Bas expressed safety concerns about the idea of having a ramp. There was general agreement that some means of highlighting the premiere winners should be considered – best of show, top Corvette, etc.

Tom Atherton raised the issue regarding the lack of a 35th anniversary commemoration item which had been approved on last year's budget. He felt that this should still be followed. Also, he raised the issue of the club supplementing members' jackets, once a decision has been made as to the design and colour of a jacket. Considerable discussion was held with some concern regarding achieving an agreement on a “club” jacket. To be raised again when Gloria can address the specific funds available for the subsidy. Klaus indicated that he had donated \$700 towards this cause and there may be another \$200 available.

50/50 Draw: Wendy Lindberg

This months Winner **Ron Sutton** \$55.50 Congratulations!

YA GOTTA LOVE A GOOD NURSE

A motorcycle patrolman was rushed to the hospital with an inflamed appendix. The doctors operated and advised him that all was well. However, the patrolman kept feeling something pulling at the hairs in his crotch. Worried that it might be a second surgery the doctors hadn't told him about, he finally got enough energy to pull his hospital gown up enough so he could look at what was making him so uncomfortable.

Taped firmly across his pubic hair were three wide strips of adhesive tape, the kind that doesn't come off easily. Written in large black letters was:

'Get well soon....from the nurse in the Jeep you pulled over last week.'

Niagara Corvette Club Rally June 6th, 2009.

The Niagara Corvette Club fifth annual non-competitive car Rally will be held on Saturday June 6th 2009 beginning at 1 PM. The rally will start at Reif Winery located on the Niagara Parkway. Entrants will be started every three minutes. Please be there early so that we can keep a constant flow of participants.

The course will be about 100 kilometers in length and will follow a mixture of Corvette friendly city and country **paved** roads. The course should take between two to three hours to complete. Each entry will be given a question sheet with easy to answer questions. This is not a race and is intended to be non-competitive and just plain fun. Each entry will require a car, driver and navigator. This is a rain or shine event and, although it would most be enjoyed in a Corvette, it would still be fun in any type of car.

The course will lead you to Chris and Roger Copeland's home where food will be provided. Bring lawn chairs and your favorite beverage. For those who wish to, snacks, salads or desserts would also be appreciated. (please contact Chris) Please pay the entry fee of \$12.00 when you register. No entries will be accepted after the meeting on June 2nd to allow for proper planning and supplies. I only have room for 25 cars, so sign up early. For more information you can contact **Larry Schmor at 905-9353616**.
