**General Motors** released their monthly sales figures for May and Corvette sales continue to encourage us. In May 2011, 1,304 Corvettes were delivered to new buyers. Although the sales figures are down 8.7% over May 2010's 1,428 Corvettes, it does rank as the second best month of sales since last May. For the calendar year, 5,597 have been sold which is pacing 13.1% over the 4,950 Corvettes sold the same time in 2010. Like I said, Corvette sales for 2011 are very encouraging.

To keep the sales rolling, Chevrolet has extended the factory incentives on new Corvettes through the July 4th weekend. For 2011 Corvette models, buyers can receive \$3,000 Dealer Cash or 1.9% financing up to 60 months or 2.9% for 72 months. For the remaining 2010 Corvettes that are still in dealer showrooms, \$4,000 in Customer Cash is available or finance it for 72 months at 0% interest. The only Corvette model excluded in the latest round of rebates is the 2011 Corvette Z06 Carbon Edition.

Speaking of the Corvette Z06 Carbon Edition, we heard that production of the limited edition lightweight Corvettes have finished and a total of 252 were built. Searching Jeff Hardy's website, we see a number of them listed as available for sale. To view the VINs and window stickers, go to JeffHardy.com and search 2011 Z06s in Supersonic Blue or Inferno Orange.

Finally, we are tracking a national inventory of 3,987 Corvettes. 3,595 are 2011s, 378 are 2010s and the final 14 are 2009 Corvettes.

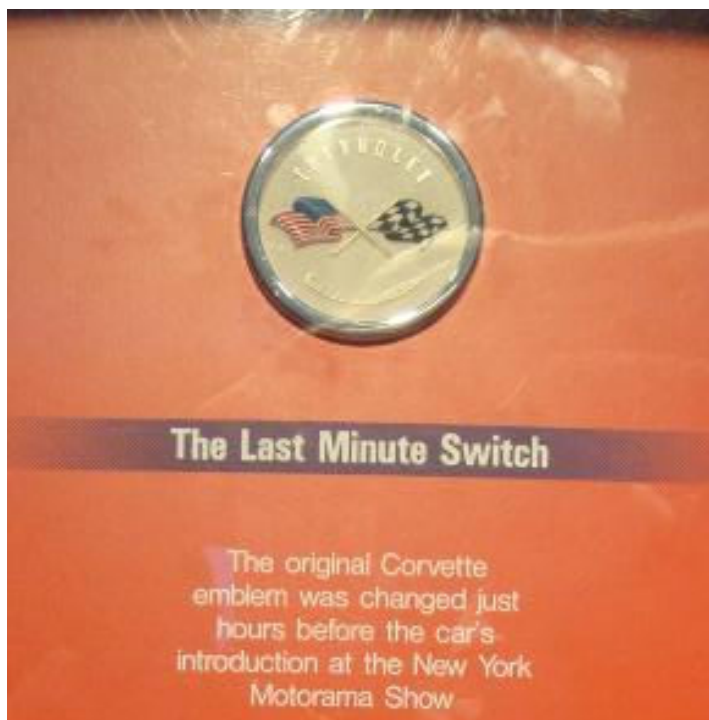

# From the President

Feeling hot, hot, hot ... feeling hot, hot, hot ... feeling hot, hot, hot ... what a great phrase! It can be used to describe the wonderful weather that has finally arrived. It can also be used to describe the exciting emotional response that one feels when driving their Corvette that has been taken out of its Winter mothballs for another season of fun.

Our season of cruising continued with a jaunt down to Bowling Green, Kentucky. A fabulous trip, with the main events being a visit to the birthplace of our cars (Corvette Assembly Plant) and the National Corvette Museum. We also undertook a number of side trips that were also very interesting.

Thanks are also extended to all of the members who participated in the trip. Having such a great group of folks on the trip truly contributed to its success. The foundation of the good times however, was the hard work and co-ordination efforts put in by Lynn Mytroen with the support of her hubby John Mytroen. Thank you Lynn and John for making the trip enjoyable for all who went.

Our June meeting was very well attended. Thank you to all of the folks who came out. A number of "good news" events were shared among the members. Firstly, congratulations were extended to Dave and Debbie Fralick on becoming Grandparents.

Secondly, both Stan Goosen and Tom Atherton are proud "papas" of Corvette acquisitions. Finally, the good news that came from the Corvette Assembly Plant that the Plant Manager, Mr. Dave Tatman, will be making a guest appearance at our Car Show in July. Thank you to Larry Schmor and his neighbour for their efforts in getting Mr. Tatman to come to our Show. Please review the meeting Minutes in this Newsletter to catch up on the details of the meeting. Our Show preparation activities are well underway. There will be information forthcoming to our members regarding opportunities to volunteer. We need to confirm a number of additional folks for Show tasks at our July meeting. Please be prepared to help out, to make this year's Show another fun-filled and successful event.

A number of additional social activities are being planned for the Summer and Fall. Please refer to the NCC Calendar in this Newsletter for updates.

Once again, I encourage all members to contact any of the Club Executives to submit and discuss your ideas for Club events and activities.

Together, we can all look forward to enjoying our Corvettes for another year of safe and happy motoring.

Remember to "Save the Wave !".

Harold

# Minutes from Last Meeting

**Date:** Tuesday, June 7<sup>th</sup>, 2011

**Attendance:**

**39 Meeting Started: 8:00 p.m.**

President Harold Anders welcomed all the membership to the meeting and congratulated Dave and Debbie Fralick on becoming grandparents.

**President's Report - Harold Anders**

**Old Business:**

We have 9 members who would like Club jackets. A minimum order of 12 is required by the supplier. However, as we are ordering Club t-shirts this week, we will try to reduce the jacket order to 9. Otherwise, we will have to wait until we have 12 orders for Club jackets.

We have 9 requests for Club t-shirts being ordered this week to be delivered in time for the St. Catharine's Car Show on Saturday, July 9<sup>th</sup>.

An e-mail will be sent to the 23 members who indicated they may be able to help park cars for the show to confirm if they are still available on July 9<sup>th</sup>. The location of the pre-show gathering spot and the parking area for our cars will be confirmed at the July meeting. Those not in attendance will be notified by e-mail.

**New Business:**

Everyone had a wonderful time at Bowling Green. A special thank you to Lynn and John Mytroen for all the hard work in putting the trip together and to all the members who participated.

The GM Car Show and Open House is to be held on Friday, August 5<sup>th</sup>. We may need members to guide people through on the walking tour. Graeme Tiels will act as liaison for the event.

A visit to the National Corvette Museum was part of the Bowling Green trip. The idea was raised as to NCC becoming a member of the Museum at a cost of \$250.00 the first year

And \$150.00 each year after. We should think about this. The benefits include : listing on the NCM website, a plaque stating membership to display at our functions, a free business card ad once each year in a single issue of "America's Sports Car", a subscription to " America's Sports Car", publicity, six free passes to the Museum and a discount on the facility rental.

George Dalbergs moved that NCC join the National Corvette Museum, seconded by Dave Drake. The motion passed.

The Lincoln County Fair organizers have asked us to participate again this year on Friday, September 9<sup>th</sup>. The Club will be receiving \$300.00 again for our support.

**Vice-President's Report - Bill Colclough**

Keep in mind the 60<sup>th</sup> Anniversary of the Corvette in 2013 and the 50<sup>th</sup> Anniversary of the Stingray and come up with ideas for Club activities. We are waiting to hear what GM is doing for the big event.

**Committee Reports:**

**Secretary's Report - Chris Copeland**

Chris thanked Gail Anders for taking over the May meeting in her absence.

**Financial Report - John Mytroen, Treasurer**

The Club is in good financial standing.

**Social Committee - Lynn Mytroen**

Outdoor mini-golf is scheduled for Saturday, August 13<sup>th</sup>, followed by a potluck supper at the Mytroen's.

Sunday, September 11<sup>th</sup>, possible Fort Erie Racetrack Social event being arranged.

Plans are underway for a possible overnight cruise to Gravenhurst with a boat cruise included, in late September or early October.

**Show Committee - Bill Colclough**

A special thank you to Larry Schmor for introducing the Club to Dave Tatman, Corvette Assembly Plant Manager. He will be coming to our car show and bringing a 2012 ZRI as part of the "Six Generations of Corvettes" display.

Bill, Harold and Klaus did a grounds tour of the winery in preparation for the show.

**Newsletter/Website - Ian Bell**

The go-ahead was given to Ian to purchase six placards, one for each Generation of Corvette printed with the car's information on it.

**50/50 Draw - Wendy Lindberg**

Winner : Tom Atherton

Meeting adjourned

# Lynn Mytroen Social Page

Our June event was held on Saturday June 4 with a trip to London Ont. at the Fleetwood Farms Country Cruize-In. 3 determined cars drove through the rain only to be rewarded with a hot sunny day and a great show of cars.

John and I will lead an ice-cream run on Tuesday June 21 to celebrate summer. Just meet us at the back parking lot of the Tim Horton's at York and Glendale at 7 pm for a cruise through NOTL ending at Avondale's Dairy Bar.

July is very busy with our show and many other shows so no social events are planned.

August long weekend is July 30/31; Aug 1.

The Simcoe Car show is Sunday July 31 as is the Canal Days Port Colborne Car Show. John and I will be attending the Port Colborne Show and hope others will join us. Wendy and Jake Bas have offered to host drinks and appetizers after the show at their new place in Port Colborne. For those interested dinner will follow at a local restaurant then fireworks on the canal. Details will be available for the July meeting.

Saturday August 13 (rain date Sunday August 14) is set aside for our mini-golf at The Greens on Brock in Thorold. Save the date as details will follow.

Fort Erie Race Track date is tentatively Sunday September 11. The cost per person is \$25.75 and is a prepaid event. If interested please let Lynn or John know ASAP so we can book the restaurant.

Finally input is requested for what everyone would like to do for a fall cruise. Tentative dates of September 24/25 or October 1/2. We could do a weekend cruise to Gravenhurst/Haliburton area or a day event on the Grand River Boat Cruise. Again please offer suggestions or comments to Lynn or John ASAP so the planning can begin.

Let's get out and cruise as often as possible...our summer is short enough!

*Lynn and John Mytroen*

**DETROIT** — Chevrolet plans to offer a variety of performance and appearance packages on the 2012 Corvette, according to early dealer ordering information. Among the options for 2012 are a High Performance package on the Corvette ZR1 and an upgraded Z07 Ultimate Performance package for the Corvette Z06.

Chevrolet dealer Ken Fichtner of Laurel, Montana, posted a lengthy list of new 2012 Corvette options and features on the Corvette Forum Web site. In response to an e-mail inquiry, Fichtner told *Inside Line* that the information “is accurate and supplied to me directly by GM as Advance Product Information.”

Aside from the previously announced Centennial Edition model, perhaps the most interesting option on the 2012 Corvette is the ZR1 High Performance package, which bundles black cup-style aluminum wheels (19-inch front and 20-inch rear), Michelin PS Cup tires and a six-speed manual transmission.

For 2012, the Z07 Ultimate Performance package for the Corvette Z06 includes Performance Traction Management (previously a ZR1 exclusive), Michelin PS Cup tires, black cup-style aluminum wheels, Magnetic Selective Ride Control and Brembo carbon-ceramic brakes.

A new Technology package bundles a Bose premium audio system with navigation, head-up display, Bluetooth and a USB port. Carlisle Blue Metallic is a new exterior color, and style-challenged Corvette convertible buyers may now choose a blue convertible top.

**Inside Line says:** Chevy is buying more time for the aging Corvette, and it’s doing it the right way — by focusing on performance.

## Happy Father's Day

1. "When I was a boy of fourteen, my father was so ignorant I could hardly stand to have the old man around. But when I got to be twenty-one, I was astonished at how much he had learned in seven years." ~ Mark Twain

2. "By the time a man realizes that maybe his father was right, he usually has a son who thinks he's wrong." ~ Charles Wadsworth

3. "A father is a man who expects his children to be as good as he meant to be." ~ Carol Coats

4. "If the new American father feels bewildered and even defeated, let him take comfort from the fact that whatever he does in any fathering situation has a fifty percent chance of being right." ~ Bill Cosby

5. "To be a successful father...there's one absolute rule: when you have a kid, don't look at it for the first two years." ~ Ernest Hemingway

6. "A man's desire for a son is usually nothing but the wish to duplicate himself in order that such a remarkable pattern may not be lost to the world." ~ Helen Rowland

7. "The place of the father in the modern suburban family is a very small one, particularly if he plays golf." ~ Bertrand Russell

8. "A father carries pictures where his money used to be." ~ Author Unknown

9. "The thing to remember about fathers is... they're men. A girl has to keep it in mind: They are dragon-seekers, bent on improbable rescues. Scratch any father, you find someone chock-full of qualms and romantic terrors, believing change is a threat, like your first shoes with heels on, like your first bicycle..." ~ Phyllis McGinley

10. "Life was a lot simpler when what we honored was father and mother rather than all major credit cards." ~ Robert Orben

11. "Becoming a father is easy enough, but being one can be very rough." ~ Wilhelm Busch

**1975 Corvette for sale.** We have the 1975 corvette that needs work and will be available for purchase at a very low price. I believe only 2 owners and has been garaged and engine work modified for more power. The engine is good and the body complete but needs lots of work-the body has some minor cracks and the interior needs work but can be bought extremely cheap-just want to know who might be interested when it comes up in a month or two.
