The Wave

The Corvette Wave is an integral part of the mystique and culture of the Corvette owner experience. Corvette owners who wave at fellow Corvette owners when they pass on the road, show a mark of recognition that you are among the elite group of intelligent people who are driving America's True Sports Car. And as a member of this elite group, you should be recognized for your poise and intelligence. So for those who don't know the five simple Corvette Wave rules, here they are:

1. **There is no excuse for not waving at your fellow Corvette owner.** Although most Corvette owners have the class and understanding to accept when their wave is not returned, not waving is a serious breach of proper Corvette etiquette.
2. **Whoever sees the other Corvette first, starts the wave.** There isn't any rule about who waves first. This is simple; if you see another Corvette, wave!
3. **Rules 1 and 2 apply to both sexes.** As far as who starts the wave, it doesn't make a difference if you are a man or women. Rules 1 and 2 apply.
4. **Any type of wave is okay.** Whether you shoot a big wave up through your open Vette top, out the window, or a quick salute with your hand on the steering wheel, any wave that can be seen by the other Corvette driver is okay. However, this does not include any style of jester that can be interpreted as obscene or insulting. Remember, Corvette owners are a class act; while someone might have been rude or stupid to you, try not to return the favor. (This is a tough rule not to break with all the stupid drivers who manage to get a driver's license.)
5. **A late wave is better than no wave.** If you suddenly realize that a Corvette driver is passing and waving at you, get a wave off as soon as possible. The other Corvette driver may see your wave in their rear view mirror and realize that you were just a little late in getting your wave going. Although missing the timing of your wave is a "goof," getting off a wave that the other Corvette driver has a chance to see can acceptably cover this slip-up.

From the President

As I am writing this month's column, we have just moved the clock forward by an hour (Spring forward) and it is less than 2 weeks until Spring finally officially arrives. The weather is slowly improving (warmer) and hopefully the coming Spring rains will not be excessive. It is definitely time to start preparing the cars for the coming fun season and put insurance back on in order to start CRUISING.

This brings to mind a question. As I read the newsletters from other clubs, whether it is the Porsche club, Buffalo, Western Pennsylvania and other Corvette clubs, they all seem able to schedule several weekend trips for the club. These trips could be to Bowling Green, some local resort or scenic area, or a trip to visit another state. All these trips seem to get support from the club's membership, such as the New Hampshire Corvette Club planning to attend our show this year. Why can our club not arrange and/or support such a trip? It seems that we are in a bit of a rut, getting the same group of members to attend local day cruises or other social events, but the participation is not growing nor do we seem to be able to drive any great distance to participate in other club's events. Is it because we do not like each other well enough to spend a few days together?? Just joking! I would be interested in getting some feedback on the reasons for this situation.

This month, the social committee is planning a bowling night, followed by dinner after. Bowling will be at the Cataract Lanes in Niagara Falls, with the bowling to start at 3:30 on **Saturday, March 28**. The club pays for the shoe rental as well as the rental of the, usually, 2 lanes. Just notify Wendy Bas of your intention to participate. Also, members are welcome to just come and heckle the bowlers. After bowling, we will proceed to Johnny Rocco's Restaurant, just down the street, for supper. We should be able to begin eating by 5:30. If you would like to join us for the meal but cannot bowl, call Wendy and let her know.

In April, we should have some of the Corvettes back on the road so we are planning to attend a fish fry at the Loyal Order of Eagles in Fort Erie. We will meet at Bas Farms by 5:45 on the evening of **Friday, April 17** and then drive to Fort Erie for the meal. Afterwards, the plan is to drive back to Welland and enjoy some ice cream before calling it an evening. Once again, let Wendy know if you are planning to attend.

The annual Spring Cruise, will be held on **Sunday May 3**. This year, the route is planned by the New York folks and the cruise will drive from Buffalo through the Allegheny national forest to Bradford, PA on the NY/PA state line. There we will visit the Zippo Museum and then proceed to a meal just down the road. All members are welcome to join this cruise and I would request that members let me know if they intend to participate so that suitable arrangements can be made for the meal. Next year, it will again be our turn to organize the cruise, so ideas for next year are welcome.

There are many other items scheduled for the rest of the year, so please review our club's event calendar and plan your summer accordingly. Also, take a look at the schedule of the events planned by other clubs and do not hesitate to participate in these other events. Spread the word and expand your exposure to other like-minded enthusiasts.

As a last item, I would like to remind our members that the early planning and sponsor solicitation for our annual car show will be kicking off in earnest in April. So come out to the April meeting to collect the sponsor letters and flyers and give us your thoughts to ensure that this year's show exceeds the results of last year.

Happy Corvetting and remember to Save the Wave!

George

Minutes from Last Meeting

Date: Tuesday, March 3, 2009

Attendance:

30

Meeting Started: 8:01 P/M.

- George Dalbergs welcomed a new member, Joseph Truscott, from the Hamilton Association of Corvettes. He will be a member of both clubs. He was unable to join us today but will join us as soon as he can – he is an accountant and tax time is time consuming.

President's Report: George Dalbergs

Old Business:

George reminded members that tonight is the last night to renew your membership for 2009. He informed the members that the Sudbury Club will be renting the Dunnville Autodrome on Friday, July 24 for a track session. Our members are welcome to join them, as are the Hamilton Club's members. More details, along with the costs and a sign up sheet will be brought to the April meeting. Klaus Reif is e-mailing for more details and costs.

As promised, Wilf Seniuk contacted A&W regarding their support of our car show this year. Wilf received a response; They will send us a 36" A&W Bear, 4 – 15" bears, and an A&W '56 Chevy peddle car. They also plan to send us 2 car hop trays with 2 mugs for each. Wilf reported that he sent pictures of the presentation of last years donations to A&W and he reported on the coast to coast National Cruise day being held by A&W on Thursday, August 13th Thank you Wilf!! Great Job!. A&W Coupons are available.

New Business:

George reported he had received an e-mail from Dan Harkins of the Fort Erie Fire Department. Dan is inviting our club to participate in a car & motorcycle show on Sunday, May 31 in downtown Fort Erie (Courtwright St.) It will be held from 9:00 AM to 4:00 PM – entry is \$10 with proceeds going to the local food bank. A show of hands indicated that half a dozen members have shown interest in participating at this time.

George explained that after a brief executive meeting, it was decided that we will have a weekend cruise to Camp Dorset on the weekend of October 17. We have tentatively booked this weekend and are awaiting information from the camp regarding required deposit, etc. The efficiency unit (motel units) are \$50/night and the 3-bedroom cabins are \$150/night. There will be sign up sheets at the April meeting and we will require a deposit from those planning to attend. We have also extended an invitation to the Sudbury and Hamilton clubs to join us. Larry Schmor gave positive details on his stay at this facility and said the cabins are better for socializing because the motel units are a bit small but more than adequate.

Vice-President's Report: Harold Anders

In regards to the club logo, Harold brought in samples of mugs, keychains, etc and literature with examples of jackets, corkscrews etc. He asked that we indicate on a sign up sheet, which design of jacket we preferred so he can bring in samples for the next meeting. Harold said to let him know if there are any other items from the catalogue that might be of interest.

Secretary's Report: Carol Hill

No comments.

Treasurer's Report:

Financial Status – not available since Gloria is on vacation in Texas. But George Dalbergs reported that we have renewed the club's non-cashable GIC for a one year term at 2%. This is with Scotia Bank, the same as the previous GIC

Minutes from Last Meeting

COMMITTEE REPORTS:

Social Committee: Wendy Bas

Wendy is away but kindly supplied us with a social calendar.

The pot Luck /trivia night at Bas farm was a huge success. We had a good balance of food and got to try some great new recipes. There was a houseful for the trivia contest. 2 teams were chosen, led by George Dalbergs (Captain Banana) and Dave Drake (Captain Peanut Butter) (You had to be there). The Banana team won by ½ a point which was fairly tight out of 50 possible points. The winning team got a small prize and then we rested our brains by eating delicious desserts.

A Fish Fry is scheduled for Friday, April 17. We will meet at Bas Farms at 5:45 and then drive to the Loyal Order of Eagles in Fort Erie for the fish dinner followed with a pleasant drive for Ice Cream in Welland. A Sign up sheet is being circulated at the meeting.

Larry Kieghan has already booked Bettys' restaurant for December 1 for our December meeting. They are booked that far ahead. Thanks Larry.

Show Committee: [Dave Drake

Dave is away but submitted the following notes for the membership

It is almost time to start working on this year's car show. The flyers have been designed and we will be distributing them at the April meeting. Just a reminder that we would ask each of our members to solicit sponsorships from all businesses that they may be dealing with. We are requesting a \$100 sponsorship donation and/or a door prize for our draws and/or promotional items for our goodie bags (minimum of 250). We need help from all members to make this show a success.

Klaus has an idea for making the show a little more exciting this year. Klaus suggested we have a ramp built to showcase the winners of each category as they are announced. This adds visibility to the winners. The suggestion was very well received and suggestions were put forward as to the design and availability of the ramp.

Newsletter: Ian Bell

Ian requested any address or e-mail changes be forwarded to executive ASAP and any new business cards for update of advertising sheet.

Round Table: -

- Gail took this opportunity to thank Ian Bell for a great job on our newsletter.
- Gail also asked that anyone who needs a club name tag or needs their tag changed, please let her know.
- Larry Schmor reported on the Club Rally on June 6th leaving from Reif Winery. It will be a 2-3 hour run, ending at the Copelands' home.
- George reported that Salvatores Restaurant and the Corvettes of Buffalo are having a rally in July with about 600 cars attending.
- There was some discussion about upcoming events such as Columbus Ohio in September, how many are going to Corvettes of Carlisle, the Mid America Fun Fest and Bowling Green. These dates can be found in the newsletter.
- There was further discussion about the our Car Show in July and Klaus indicated he had been in contact with the local Traffic Control and they have offered to supply what ever we need for the event.

Attached are some photos and a short story about Pat's car being invited to the Toronto Autoshow in case some members may have seen it or not. Most pictures are from the interior room that contained the GM Heritage Collection cars that are all 1-offs and used strictly for show. The theme was about the evolution of the Corvette to date showing examples from each era...the 1st 53, the last C-1, the 1st C-2, the last and greatest example of the C-2 in this case being a Black 435 hp roadster and so on. In our case they wanted a representative of a 50th Anniversary car and we were asked if we would like to display Pat's car. Absolutely, I don't have to say what a treat it was to be involved in a show of this magnitude and I have to thank Scott Sinclair (seen talking with Pat at the Black Tie VIP Night Presentation) for being involved in having her car displayed. This ranks up there with our 62 car being displayed in the tent at The NCRS Corvettes at Carlisle Display as an all time high in the Corvette hobby. I'm sure there will be some major Press coverage of this show to occur at a later date.

Niagara Corvette Club Rally June 6th, 2009.

The Niagara Corvette Club fifth annual non-competitive car Rally will be held on Saturday June 6th 2009 beginning at 1 PM. The rally will start at Reif Winery located on the Niagara Parkway. Entrants will be started every three minutes. Please be there early so that we can keep a constant flow of participants.

The course will be about 100 kilometers in length and will follow a mixture of Corvette friendly city and country **paved** roads. The course should take between two to three hours to complete. Each entry will be given a question sheet with easy to answer questions. This is not a race and is intended to be non-competitive and just plain fun. Each entry will require a car, driver and navigator. This is a rain or shine event and, although it would most be enjoyed in a Corvette, it would still be fun in any type of car.

The course will lead you to Chris and Roger Copeland's home where food will be provided. Bring lawn chairs and your favourite beverage. For those who wish to, snacks, salads or desserts would also be appreciated. (please contact Chris) Please pay the entry fee of \$12.00 when you register. No entries will be accepted after the meeting on June 2nd to allow for proper planning and supplies. I only have room for 25 cars, so sign up early. For more information you can contact **Larry Schmor** at 905-9353616.

Last month **Wendy and Jake Bas** once again graciously hosted a social evening at their home. It was a potluck dinner with Wendy arranging a trivia contest between 2 teams. Dave Drake was the captain of one team while I was coerced to captain the second team. After much calculating, scheming and brain storming, my team, the BANANA TEAM, was successful in beating Dave's PEANUT BUTTER TEAM by ½ point. Better luck next time Dave. After, we all enjoyed the dinner along with a few adult beverages. Great time and a great big thank you to the Bas'. **George Dalbergs**
