# From the President

Well, here we are. The cruising season is over until next Spring; the cars have all been put away, and we have had the last general meeting of the membership for the year. The only events remaining are the Club's Annual Christmas Dinner on November 28 and the December supper social on December 1 and then we wait until next year.

The Fall Cruise was a great success with the members driving to St. Jacob's market and then on to Paris for a Rib BBQ dinner at Camp 31. We had a good contingent of our members present, along with a couple of Corvettes from HAC. A great big thanks, once again, to Gloria and David Drake for laying out the route so well, keeping everyone together for the whole cruise and arranging for a great day weather-wise; the last time this year that Marilyn and I had the top down. Thank you.

Overall, we have had another great year, although the weather during the summer was not as hot and dry as we would normally expect. This cut into the cruising time considerably, but Mother Nature partially made up for it in September with very comfortable and dry days if you had the chance to get out and enjoy them.

The car show was a success, in spite of the threatening weather, and we were able to make acquaintance with several distant clubs from Massachusetts and New Hampshire, as well as reconnecting with friends from Ottawa, Sudbury, etc. We hope to have these folks back for our show next year and we should also endeavour to attend some of their functions as well. As a result of our show, the Downtown Association's Car Show and the Lincoln County Cruise night we were able to again donate \$16,100 to the Children's Centre. A commendable achievement. Well done.

2010 will be upon us before we realize and it is important that we use the time from now until then to consider what you want to get from the club and what you are prepared to do for the club. In order to continue garnering interest within the members, I feel that it is important to try new things, be they events, procedures, whatever. If we don't change, we will become stagnant and redundant. We need our members to step up with new ideas and take on new challenges. Most of us enjoy the social aspects of the club and if we are honest, we will agree that we have made several great new friends since becoming involved with the Corvette lifestyle and the Niagara Corvette Club. We need to keep this going.

We are coming to a benchmark year in our history:

***We need new involvement in the show committee, planning, co-ordinating, etc.***

Our current executive is reaching the end of their terms this year, so we need to consider volunteering for these executive positions. Let's have a proper election this time.

We also need volunteers to propose and organize new social events for next year.

Now is the time to give serious thought to what you would like to have the club do next year and into the future. To paraphrase John F. Kennedy – ask not what the club can do for you, but ask what you can do for the club.

So, please renew your membership for 2010, bring in new members, and above all, have a very happy, merry and safe holiday season. See you all in the New Year.

**Happy Corvetting and remember to Save the Wave!**

**George**

# Minutes from Last Meeting

**Date:** Tuesday, November 3, 2009      **Attendance:** 40

**Meeting Started: 8:01 p.m**

George Dalbergs opened the meeting by welcoming two guests, Jan Calaguero and his son Wesley. They are converting a Corvette C4 into a race car. Wesley also races go- carts. George also welcomed our newest member Bill Jorgens who was able to make the meeting as well, driving in from Brampton. .A warm welcome to all.

**President's Report: George Dalbergs**

October has been a very quiet month as the season winds down but George was pleased with the turn-out for the Annual Fall Cruise with 9 cars and 2 participants from the Hamilton Club, followed by a great meal at Camp 31. Thank you once again to Gloria and Dave Drake for their excellent planning of this event.

**New Business:**

George Dalbergs spoke on behalf of our Vice President, Harold Anders who was away. He reported on the 46<sup>th</sup> Performance World Custom Car & Truck show at the International Centre In Mississauga on March 12-14, 2010., stating that it was a great show to attend. George displayed two contenders for our club jacket. Larry and Margaret Keighan were kind enough to model them for us. One orange and black jacket and one pale yellow design. Both jackets are from a Canadian supplier and can be bought through Joe Toth. They are originally made overseas. The orange jacket is priced at \$48.00 and the yellow jacket at \$45.00. This price includes our club logo on the front.. If we want our club name on the back it is an additional \$12.00. The majority of members overwhelmingly preferred the pale yellow design.

**Secretary's Report: Carol Hill**

Carol displayed an article she submitted to Old Autos Newspaper with the picture of our club making a donation to The Children's Centre. Old Autos did a fine write up beneath the photo about our clubs fund raising efforts.

**Treasurer's Report: Gloria Drake**

Gloria gave her financial report and asked if members giving cheques for next years membership could please make them out for January 1<sup>st</sup> 2010 when she will be depositing the cheques.

**COMMITTEE REPORTS:**

**Social Committee: Wendy Bas**

**Gail Anders** has invited the members to a **Wine and Food Paring Party** on January 23<sup>rd</sup> 2010. Wendy Bas will be holding her annual **Super Bowl Bash** on Sunday February 7<sup>th</sup> 2010 barring any good deals on cruise tickets.

Our **Annual Christmas Party** – November 28, 2009 @ Johnny Rocco's in Niagara Falls arranged by Marilyn Dalbergs. Marilyn suggested we can bring our own desserts to save on the cost of the dinner. Cost \$23.00 per person.

**December Dinner Meeting** – December 1, 2009 @ Betty's Restaurant in Chippawa arranged by Larry Keighan .Larry said you can call him last minute in necessary to be put on the list. Cost \$20.00/person. Wendy Bas asked Ed Pentesco to draw the Z0649 #'s 31, 36, 24, 15, 49, 42.

**Congratulations!! Wendy Bas** was the winner of the Z0649 draw **Winning \$260.00**

**Newsletter: [Ian Bell]**

Request any address or e-mail changes be forwarded to executive ASAP.

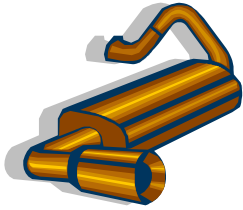

New business cards for update of advertising sheet.

**50/50 Draw Wendy Lindberg**

Last month's winner was Lynn Mytroen, **Winner's Name:** a very happy Bill Jorgens winning \$58.00

### Corvette Storage Tips & Tricks

Most owners wait until cold and snowy weather to start thinking about winter storage for their favorite cars. However, some advance maintenance can prevent problems when the roads get salted down with frame-eating chemicals. A few simple and low cost preventative measures can save you hundreds of dollars next spring when it is time to once again enjoy the open road. Check your Corvette for items that need to be rebuilt or replaced prior to your first spring cruise. Make a list of the projects that you want to get done. The interior and fuel system are two areas that I have found to be responsible for failures due to the lack of preparation for storage. Corvettes that have been stored often exhibit damage from mold and mildew. They look bad and smell the same way. This is due to the accumulation of moisture in the closed car. In order to prevent this damage, be sure to place desiccant bags in the interior. These bags capture the moisture and keep it away from your carpet and seats. Be sure to close the windows and clamp down the top(s) to prevent more moisture from entering. Today's gasolines have a number of additives that vary from station to station and from one area to another. During extended storage, these may settle out of solution and cause clogging of lines or injectors. Also, the additives may actually attack some of the rubber hoses, lines, or seals. Moisture will also accumulate in the tank if it is not kept full. This moisture may cause corrosion on the bottom of the older, non-bladder tanks.

You can reduce fuel system problems by following this procedure:

1. Use up or drain the fuel presently in the tank. You may want to add one of the many moisture reducing fuel additives to dry out the tank.
2. Refill the tank with fresh gas and add a stabilizer such as Fuel Fresh. Drive the car for a short distance in order to get the fresh gas and stabilizer through the system.

If you start your Corvette occasionally during storage, be sure to allow it to run long enough to thoroughly heat up and dry out the exhaust system. Everyone has seen moisture dripping from the tailpipes of cars on cold days. This condensed moisture is the major cause of exhaust system damage.

# Fall Cruise

Thanks to Dave & Gloria Drake for organizing the Fall Cruise

# Club Christmas Dinner

The Christmas Dinner this year will be held at Johnny Rocco's Italian Grill located at 6889 Lundy's Lane in Niagara Falls, Ontario on Saturday, November 28, 2009.

The dinner will be held in a buffet style and the planned menu is:

*Appetizer House Salad*  
*Caesar Salad*  
*Crispy Zucchini*  
*Zia's Rice Balls*

*Entrees Penne Pomodoro*  
*Meatballs*  
*Sausage*  
*Grilled Chicken with sautéed mushrooms*  
*Veal Parmigiana*  
*Roast Potatoes*  
*Medley of fresh sautéed vegetables.*

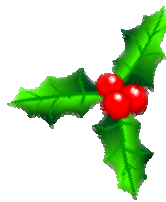

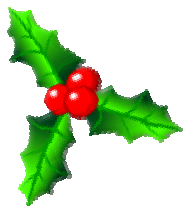

*Coffee & Tea*

*Cash Bar*

Cost of the dinner will be \$23 per person, after the club's subsidy.

A sign up sheet was circulated at the October meeting. If you were unable to attend the October meeting and plan to attend the dinner, please contact Marilyn at 905-682-2310. We will expect payment at the November 3 meeting for those planning to attend.

Also, please bring a donation of food items to the dinner to contribute to the local food bank for Christmas. If you cannot attend the dinner, please bring food contributions to the November meeting.

# From The Editor

NCC Club members, if you have any item which may be of interest to our club members please sent article to the editors. Hope you like the new look to our paper. Ian & Jackie

## Merry Christmas & Happy New Year.

There will be no club newsletter in December, will resume after club's monthly meeting in January 2010. Ian & Jackie

### Just an update for the social calendar. Upcoming Events

Saturday, November 28 - Christmas Dinner at Johnny Rocco's, Niagara Falls (Marilyn Dalbergs)

Tuesday, December 1 - Dinner at Betty's Restaurant (Larry Keighan)

Saturday, January 23 - Wine & Food (Gail Anders)

Sunday, February 7 - Superbowl Party (Wendy Bas)

Put these important dates on your calendar and be sure to contact the organizer to let them know you will be attending. If you do sign up and can't make it, be sure to contact them as well. *Wendy*

## Optimist vs. Pessimist

A family had twin boys whose only resemblance to each other was their looks. If one felt it was too hot, the other thought it was too cold. If one said the TV was too loud, the other claimed the volume needed to be turned up. Opposite in every way, one was an eternal optimist, the other a doom and gloom pessimist.

Just to see what would happen, on the twins' birthday their father loaded the pessimist's room with every imaginable toy and game. The optimist's room he loaded with horse manure.

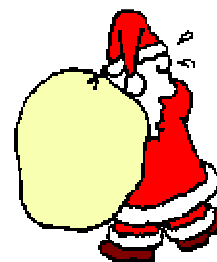

That night the father passed by the pessimist's room and found him sitting amid his new gifts crying bitterly.

"Why are you crying?" the father asked.

"Because my friends will be jealous, I'll have to read all these instructions before I can do anything with this stuff, I'll constantly need batteries, and my toys will eventually get broken." answered the pessimist twin.

Passing the optimist twin's room, the father found him dancing for joy in the pile of manure. "What are you so happy about?" he asked.

To which his optimist twin replied, "There's got to be a pony in here somewhere!"

### 206-49 Draw *Wendy*

Our 649 draw finally came to an end last night after 8 months of draws at the meetings.

The following people only needed one number

Dave Fralick #9, George & Marilyn D. #2, Mike Szcwrek #2

Wendy Bas #15.

Ed Pentesco attended the meeting (soon to be leaving for Vegas) and drew the six numbers for the draw.

Numbers drawn were: **15, 24, 31, 36, 42, 49**

After checking the numbers the only winner was Wendy Bas. The next closest were the three others listed above as well as Gloria Drake who needed only one number which was #35.

Thanks to all who participated, the prize was \$260.00.

## New Corvette Plant Manager Arrives

Bowling Green is proud to welcome Bob Parcell as the new plant manager of the General Motors Bowling Green Assembly Plant. Parcell began work for GM in 1979 as a co-op student, and most recently served as president of Cami Automotive, a joint venture between GM and Suzuki in Canada.

"If you are in this business... the business of building cars, this is a dream job. We've all dreamt of one day running the Corvette plant," said Parcell.

Former manager, Paul Graham, has moved to Arlington Assembly Plant in Texas to oversee the production of conventional and hybrid versions of the Tahoe, GMC Yukon and Cadillac Escalade.
