# *From the President*

On behalf of the new Club Executive and Club Support Team, may I extend a hearty “Happy New Year !!!” to all of the Club membership. We hope that the Holiday Season was enjoyable for all.

2011 will be the Club’s 38<sup>th</sup> Anniversary – a remarkable achievement. This success is dependent upon the support and participation of the Club’s membership. As we begin to prepare for a new year of fun and activities, I hope that we can continue this willingness to participate within the membership of the Club.

The Club’s annual Christmas dinner was held last November at Johnny Rocco’s in St. Catharines. All enjoyed a fabulous meal that was served in a warm and enjoyable setting. I for one gained a few pounds, and I am sure that I was not the only one to do so. Thank you to Marilyn Dalbergs, Lynn Mytroen and the folks that helped them to make this such a great night.

At our annual Christmas dinner, the Club’s Participation Awards were presented. These awards are presented to those Club members (excluding the Executive) who were the most active in the Club’s meetings and events. Winning third place was Fred Hutchison. Bill Colclough came in second. The coveted first place award went to Jack Hill. Congratulations Jack, an honour well deserved.

Our social event for December was a very well attended dinner at the Mandarin Restaurant in St. Catharines. I certainly enjoyed the company of Club’s members who I met in the countless number of trips that I made to the buffet. It was great to have others join me in a quest to develop a larger shadow. A remarkable effort was made by all to deplete the buffet, but alas, the fabulous food just kept on coming. To Fred and Lorna Hutchison, thank you for coordinating such an enjoyable evening.

Our January 2011 meeting proved to be a good kick-start for our Club events. The new Club Executive and Club Support Team were introduced to the members present. Recognition and thanks were provided to the outgoing Club Executive and Club Support Team members. Past President, George Dalbergs highlighted several notes of recognition and thanks for the Club’s events that came from the Niagara Peninsula Children’s Centre, from Community Care, and from the Sudbury Corvette Club. Vice-President, Bill Colclough outlined the thanks received from the Region of Niagara for the Club’s recycling efforts at our Car Show.

Further details of these recognitions can be found elsewhere in this Newsletter.

The Club members were informed of the National Corvette Museum’s “Museum in Motion” program plans for a tour to Mosport from July 19-24, 2011. The Club Executive will be reviewing possible implications of this planned tour on our 2011 Car Show (including a possible change in the date of the Car Show to July 17). Further information will be tabled at our February meeting for review and consideration of the membership.

Other events are being planned for the Club’s 2011 Social Calendar. Please check the Events Calendar of our Newsletter frequently for updates. As we plan our activities for 2011 it would be nice to see new members and more of the affiliate members (i.e. significant partners of members) participating in our meetings and events. The new Club Executive will continue to support the participation of other Clubs in our events, and will continue to promote our members participation in the events of other Clubs.

Our meeting in February 2011 will be the third Annual General Meeting (AGM) of the Club’s membership. The AGM is a requirement of the incorporation of our Club, and it is very important that as many members as possible attend this meeting. 2011 promises to be a busy year for the Club and as we cast our plans, all significant decisions must be moved with a formal motion, seconded, and voted on by the membership. Please plan to make the February meeting a “must attend” event.

Once again, “Happy New Year !!!” to all. It won’t be long before we will be dusting off our Corvettes for another year of safe and happy motoring.

Remember to “Save the Wave !”,  
Harold.

Dear Mr. Dalbergs and Members:

**Re: Donation - \$24,000.00  
(2010 Niagara Corvette Club Car Show)**

On behalf of the Niagara Peninsula Children's Centre, I wish to thank the members of the Niagara Corvette Club for their generous donation to our children with special needs. This year's car show was a great success, resulting in an amazing gift of \$24,000.00.

Thanks to Marilyn's efforts we were also very also pleased to be introduced to the Freedom 55 Financial Group, whose fundraising efforts were included in this year's contribution.

Once again, congratulations to the organizers and members of the Niagara Corvette Club for another successful year and sincerest thanks for helping to improve the lives of Niagara's children with special needs.

With very best wishes, I remain.

Yours truly,

Jim Marino

Dear Mr. Colclough:

**Special Events Recycling  
File No. E.09.00 88 055**

On behalf of the Niagara Region, Waste Management Services division, thank you for the opportunity to provide recycling collection services at the **Cruise in on the Parkway**. This opportunity facilitated promotion and education of the Region's waste management programs; further helping the Region to reach its goal of 55% waste diversion by 2012.

In reviewing the Special Events held in 2010, your event collected over **116.5 lbs** of recyclables. Without your participation in the Region's Special Event Recycling Program, these materials would have been collected as regular waste and sent to a landfill. Please share this information with other event staff/volunteers. This certainly demonstrates the positive effect they had in reducing the amount of valuable materials going to landfill.

A feedback form has also been included for your completion and return. Your comments will be used to further develop the Special Event Recycling Program.

If the Niagara Region can be of any further assistance please contact the Waste Info-line at 905.356.4141 or 1.800.594.5542 and ask to speak with a Special Events Coordinator.

Sincerely,

A handwritten signature in cursive script that reads 'Ashley White'.

# Minutes from Last Meeting

**Date:** Tuesday, January 4, 2011

**Attendance:** 33

**Meeting Started:** 8:00 p.m.

Harold Anders welcomed all the members to our meeting and introduced our special guests, Bob Josefchuk and his wife Maureen who are interested in joining our club.

Harold then introduced our new Executive:

Vice-President: **Bill Colclough**

Secretary: **Chris Copeland**

Treasurer: **John Mytroen** [absent, Gloria Drake sitting in]

President: **Harold Anders**

And Club Support Team:

Social Committee: **Lynn Mytroen**

Show Committee: **TBA** [we need a new chair]

Club Membership: **Gail Anders**

Newsletter Editor: **Ian Bell**

Webmaster: **Bill Colclough/Ian Bell**

Club Historian: **Stan Goosen**

50/50 Draw: **Wendy Lindberg**

On behalf of the new Executive and Club Support Team, Harold extended a sincere thank you and praise for a job well done to the outgoing retiring Club Executive and Support Team members for all their hard work and dedication:

President: George Dalbergs ; Secretary: Carol Hill; Treasurer: Gloria Drake ; Social Committee: Wendy Bas.

Harold reminded the members that the Club's activities are dependent on the support and participation of its members and extended a hearty thank you to all who have stepped forward to make these activities a success and hopefully the new Executive and Club Support Team can count on the continuation of such great support.

## **President's Report: Harold Anders**

**Old Business:** Harold thanked Marilyn Dalbergs and Lynn Mytroen for co-coordinating the Christmas Dinner at Johnny Rocco's and Fred and Lorna Hutchinson for the December get-together at the Mandarin.

Discussion on the Club car flags has been deferred.

Harold then gave George Dalbergs the opportunity to read a letter from Jim Marino of the Niagara Peninsula Children's Centre thanking the Club for their generous monetary donation and a letter from Betty-Lou Souter of Community Care for the 115 pound food donation in November.

**New Business:** The Club is slowly gearing up for the NCC Car Show in July; however we need a new Show Co-ordinator. The National Corvette Museum, under the Museum in Motion program is tentatively scheduled to tour Mosport July 19-24 [the first tour into Canada] which conflicts with our NCC Car Show date of Sunday July 24; therefore we are discussing moving our show date ahead by one week to Sunday, July 17<sup>th</sup>. Firstly, Klaus Reif will have to be consulted. The transition of duties from the old executive to the new is continuing and may result in new By-Law updates. If members have any comments/concerns/new ideas regarding the Club and Club activities, please contact a member of the Executive.

**Vice-Presidents report: Bill Colclough,** Club interest in hats, shirts, jackets will be discussed at future meetings and different options presented. 2013 is the 60<sup>th</sup> Anniversary of the Corvette, any ideas for Club activities would be appreciated. Bill received a thank you letter from the Region's Waste Management Services thanking us for diverting 116.5 pounds of recycling materials from the landfill. They helped us by dropping off the empty bins and picking up the full ones on the day of our car show free.

**Treasurer's Report: John Mytroen** With John on vacation, Gloria Drake gave the interim report. We have a record setting 43 paid members/couples by January. The Club is in good financial standing.

## **COMMITTEE REPORTS:**

## NCC Social Events for January 2011

John and I are away at the moment but we want to wish everyone a very happy and healthy 2011.

There are no club events organized for January but we would suggest that everyone check out Rief Estate's website and support Klaus at the Ice Wine Experience on during the month of January. Please send us an email if you would like to organize a group.

February we have our annual Bowling Night on Saturday Feb. 12. Thanks to Glennie and Willie for organizing this evening. Come out and see who has improved the most over the past year!! John and I will be hosting the first Nascar Race of the season on Sunday Feb. 20. Details will be available at the next meeting.

It may seem a bit early but a road trip to Bowling Green is being planned for late May/early June. Anyone who may be interested should please contact us. There is lots to plan so any help is greatly appreciated.

We are looking forward to another great "social" year with all of our Corvette friends. Any suggestions or ideas are always appreciated.

Lynn and John Mytroen

## Car with a conscience

True green reputations aren't built only on how little of the planet's resources are consumed while you drive your car but also how few pollutants were tossed into the atmosphere during the build process. Forget about the connection between "green" and your wallet by checking out ten

Environmental friendliness starts with the materials chosen for your next new car and how those materials were collected. In the end, how can those materials be disposed? True green reputations aren't built only on how little of the planet's resources are consumed while you drive your car but also how few pollutants were tossed into the atmosphere during the build process.

The Chevrolet Corvette, a car with a conscience? Although the Corvette is surprisingly fuel-efficient, that's not the point here. Wood, we often forget, is a renewable resource. No wood is more renewable than balsa, the fastest-growing tree in the world. Chevrolet uses Ecuador-sourced balsa wood in the Corvette's floor. It's stiffer and lighter than any of the synthetic alternatives.

She will reassure him when he feels insecure and comfort him after a bad day.

She will inspire him to do things he never thought he could do; to live without fear and forget regret.

She will enable him to express his deepest emotions and give in to his most intimate desires.

She will make sure he always feels as though he's the most handsome man in the room and will enable him to be the most confident, sexy, seductive, and invincible. . .

From the Sudbury Corvette Club news paper Torque. Referred to in the presidents column. One of the highlights of this year for me was the trip to the Niagara Corvette Club car show held at the Reif Estates Winery in Niagara-on-the-Lake in July. After last year's excitement of the track day at Dunnville, I wasn't sure that this year's trip would quite measure up to that; however I was very happy to be proved wrong.

Editor, I have included the web address to the Sudbury car club so you can read the entire article if you wish. Takes a while to load, be patient.

# *What a Cool Car*

What a cool car! Too bad Chevy put a hold on this one !!!!

This is something I never knew. Thought you would be interested.

Oh the great days at Oldsmobile!!

This is the car that in 1954 could have "killed" the Corvette.....so, Chevrolet, being GM's big sales and profit Division, campaigned to GM to "kill" this car.

When Chevy was coming out with its 6-cyl. sports car with its 2-speed "Powerglide" transmission and side curtains here was a sports car from Olds with a big old V-8 and power windows  
So, GM said no to Oldsmobile on building this car.....

The world's rarest automobile. A 1954 concept Old's Rocket F88 - the only one in existence. (read the story below)  
John S. Hendricks, (Discovery Communications founder) paid in excess of 3 million to acquire.

1954 Oldsmobile F-88 Convertible Concept Car

After spending decades as a collection of parts stuffed into wooden crates ? the F-88 was reassembled.

In 1954 ? the F-88 was a Motorama ?Dream Car? and was one of only two ? or an unconfirmed possible three ever created. The F-88 seen here is literally the only car left of its kind ? and was sold to John and Maureen Hendricks at the prestigious Barrett-Jackson Auto Auction in Scottsdale , Arizona for an unbelievable \$3,240,000. This acquisition made automotive history and is the ?cornerstone? of the Gateway Colorado Automobile Museum in its own special room in a rotating display worthy of the F-88!
