The future of the Chevrolet Corvette is secure, General Motors CEO Fritz Henderson says, even as GM dramatically slashes its size and costs.

In an exclusive interview with *AutoWeek*, Henderson says that not only is the Corvette's current platform undergoing continual development, but the future seventh-generation car, dubbed C7, is also on track.

He would not specify when the C7 Vette would hit showrooms.

Henderson was bullish on Corvette. Not only is he a Corvette enthusiast who drives one, he knows that it contributes to the company's bottom line.

According to GM's top man, "Corvette pays its rent." The current sixth-generation C6 Corvette has been in production since 2005. The C6 platform used major components from the C5 fifth-generation Corvette, but with substantial upgrades.

AutoWeek reported in October that work on the C7 Vette had been put on an indefinite hold as GM scrambled to cut costs. The talk then was that the C6 platform could be as old as 12 years before the C7 was ready to go.

From the President

Since the Spring Cruise, which was reported on last month, we have had a very quiet May with no other “official” club events. This will however come to an end this month. There are several events scheduled from now until September at which time the season will be coming to an end and we look forward to winterizing the Corvettes and getting ready for WINTER. You all know that this is inevitable, so let’s get out and enjoy and participate in the events during the next few months.

This coming Saturday, on June 6 we will be holding the annual road rally with a post rally BBQ at the Copeland’s estate. Be sure to enjoy.

The next formal event is the Downtown Classic Car show in St. Catharines. This event is sponsored by the Downtown Association and our club has been requested to help with the parking for this event. In return, the Downtown Association will be giving us a donation which can be added to our fundraising efforts on behalf of the Children’s Centre. We require volunteers to assist with the parking effort and a sign up sheet was passed around at the June meeting. If you were unable to attend this meeting and you are prepared to help the club out, please call me at home and I’ll add your name to the list.

On the weekend of July 13, we will be visited by a Corvette Club from Massachusetts. We plan to meet with them and participate in their visit to the Niagara area. If you would like to socialize with these folks, please let me know. We will have more information at the July meeting.

Now we come to the major event of the summer season – our annual car show. As you know, this event is a major fundraiser for the Niagara Peninsula Children’s Centre and we request the assistance of **ALL OF OUR MEMBERS** to ensure that this event will again be a success. We request our members to assist in a number of different ways:

Solicit sponsorship funds from local business. Sponsorship request packages are available from Marilyn and tax receipts are available for those businesses that request them.

Solicit goodie bag items to be placed in the goodie bags that are passed out to the first 250 participants to register for the show. These items should go to Wendy Bas

Solicit door prize items and other, more significant, items which can be used for the raffle. Door prize and raffle items should be forwarded to Marilyn Dalbergs.

Help out at the day of the show.

While all these tasks are important, you must remember that in order to continue with a show that brings in participants from far and wide, there are numerous tasks to be done on the day of the show. If you can, I would request that you attend the show and be prepared to help out on this day. We would be pleased to accommodate any constraints that you may have, but we do require your help. A job list was prepared at the June meeting and quite a few slots were filled in, but there are several openings left. We will be returning to this item at the July meeting, but if you can assist, please call Gail Anders and/or Gloria Drake.

Let’s make this show another success and we await the favourable feedback that we have been getting over the past several years. We are expecting participants from the following out-of-town clubs, SSR Club, Sudbury Corvette Club, Capital City Corvette Club (Ottawa), Upper Canada Corvette Club (Toronto), New Hampshire Corvette Club. All of these folks will be here for the whole weekend and we are also planning a social evening with them all for the Saturday night prior to the show.

We have also decided on a new “club jacket” which will be similar to the yellow/black jackets that the Western NY Corvette Club is using. More details should be available at the July meeting and then we will be taking orders for these jackets.

Don’t forget to drop off a note to Ian if you are taking any interesting trips during the summer in your Corvette. We would all be interested in reading about your adventures.

See you all at the July meeting.

Happy Corvetting and remember to Save the Wave!

George

Minutes from Last Meeting

Date: Tuesday, June 2, 2009

Attendance: 45

Meeting Started: 8:05

George Dalbergs welcomed **Sue and Stan Stanley from Burlington** to our meeting.

President's Report: George Dalbergs

Old Business:

George reviewed the following topics with the members:

The Sudbury Club renting the Dunnville Autodrome

The Fort Erie Fire Department car show last Sunday.

The planning of a Fall weekend cruise to Camp Dorset October 16-18, 2009 – SIGN UP SHEET will be passed around this meeting and deposit will be required next meeting.

New Business:

George asked if any members were interested in going to the Sudbury corvette Club's show June 13th. 2009.

The St. Catharines' Downtown Association will be holding their downtown car show on Saturday, July 11. It is important that we get enough volunteers to help with parking so we can get a \$500.00 donation for the Children's Centre. A sign up sheet is being circulated.

George reported on the upcoming Lincoln County Agricultural Society Fair and our participation in organizing the cruise night and presentation of trophies. Again we will receive a donation for our participation.

Vice-President's Report: Harold Anders

Harold explained that Joe Toth was unable to attend our meeting but was kind enough to send samples of the promotional items, mugs with porcelain liner, corkscrew, Spring and Fall Jackets ranging in price from \$60.00 to \$100.00 with different features, men's and women's golf shirts with new breathable fabric, and again the jacket from the Buffalo Corvette club which Joe Toth is able to order. It costs approximately \$45.00 but embroidery is extra bringing the cost to about \$60.00. A short discussion on colours followed. Ellie Dean wanted an idea of how long it takes for delivery once they are ordered.

Treasurer's Report: George Dalbergs for Gloria Drake.

In Gloria's absence, George presented a summary of the financial report outlining our donations for the car show to date and reporting that our club is in good standing financially.

Committee Reports:

Social Committee: Wendy Bas Wendy gave a brief report on upcoming events.

June 6 – Annual Road Rally and BBQ Larry Schmor said there is room for 3 more cars if anyone is interested.

June 27 – Social Event at the Mytroen's - Lyn explained the activities for the digital scavenger hunt. Willy Wilkinson asked if he could bring a 3rd guest with him to the party and Lyn gave a positive comment which brought some chuckles from the members.

July 11 – Downtown St. Catharines Car show-reminder

July 27 – NCC CAR SHOW

649 #s for this month 23, 29, 10, 37, 1, 7.

Minutes from Last Meeting

Show Committee: Dave Drake

The D-J for the show will be Gary Archer.

Although we have received some door prizes and goodie bag items and we are waiting for more to come, we do need sponsorship donations to be brought in.

Door Prizes go to Marilyn, Goodie bag items to Wendy Bas, and Sponsorship funds to Gloria or Dave Drake

In Gloria's absence tonight, Gail and Harold will review the job list for the show

Our Club is having out of town guests for the show and suggestions were requested for a good spot to take them to dinner on the evening prior to the show. Betty's Restaurant was suggested and seemed to get a good response.

Round Table: - a large part of our meeting was geared towards the details of our car show and gratefully Gail and Harold Anders took charge of recruiting the volunteers for the car show jobs list. A large spread sheet was used and much time was spent filling out the various positions required to make our show a success. This year we are adding a "penny sale" to our activities and Gail Anders and Tracey Stewart explained how the 50/50 and penny sale will be handled this year. Dave has agreed to bring in a money counting pot for the coffee table which Lorna Hutchinson has agreed to guard. Thankfully many positions and good hearted members have agreed to donate their time but we still have positions to be filled and more volunteers are needed. A sheet will be posted in this newsletter. **The more volunteers we have the more successful our show becomes and the more we can hopefully donate to The Childrens Centre so please try and be a volunteer.**

Newsletter: Ian Bell

Request any address or e-mail changes be forwarded to executive ASAP.

New business cards for update of advertising sheet.

50/50 Draw: Wendy Lindberg

Last month's winner was Tim Conway.

This month's winner is John Mytroen \$61.00

Happy Father's Day,

Sorry I missed the women last month.

Who's the Boss?

While having their evening dinner together, a little girl looked up at her father and asked, "Daddy, you're the boss in our family, right?" The father was very pleased to hear it and confidently replied, "Yes my little princess." The girl then continued, "That's because mommy put you in charge, right?"

How times have changed! 1929 Service Garage Mail Out, Automotive repair in 1929. From Glennie Wilkinson. Editor, Bottineau N. Dakota is 14 Km south of the Manitoba border and west of Winnipeg.

Dear Sir:—

We're writing this letter to you today because we want to help you get your money out of your Model T.

It's still as good a car as it was the day the new Model A Ford was announced and there's no need to sacrifice it.

The Model T Ford is still used by more people than any other automobile. Eight million are in active service right now and many of them can be driven one, two, three and five years and even longer.

Bring your car to us and let us look it over. You'll be surprised to see how little it costs to put it in tip-top shape.

New fenders, for instance, cost from \$3.50 to \$5.00 each, with a labor charge of \$1.00 to \$2.50. Tuning up the motor and replacing commutator case, brush and vibrator points costs only \$1.00, with a small charge for material. Brake shoes can be installed and emergency brakes equalized for a labor charge of only \$1.25. A labor charge of \$4.00 to \$5.00 will cover the overhauling of the front axle, rebushing springs and spring perches, and straightening, aligning and adjusting wheels.

The labor charge for overhauling the average rear axle runs from \$5.75 to \$7.00. Grinding valves and cleaning carbon can be done for \$3.00 to \$4.00.

A set of four new pistons and rings cost only \$7.00. For a labor charge of \$20 to \$25.00 you can have your motor and transmission completely overhauled. Parts are extra.

Bottineau, N. Dak.

Very truly yours,
C. R. GLEASON CO.

JULY 26th – WE NEED YOU!

It's just a little over a month until our annual Car Show. We have several members who will be away this year, which means we need other members to step up to the plate and volunteer to do one of the jobs at the Show. Thanks to those of you who have already added your name to the job list. Some of you have even taken on a couple of jobs. But, there's still more jobs to fill! If you are planning to bring your car to the Show, please consider helping the Club by volunteering to do one of the jobs. Somewhere in the Newsletter you'll find a list of the jobs and the ones that we still need to fill. If you are willing to do one of the jobs, please contact Gloria or Dave as soon as possible. Remember, **WE** are putting on this Show to raise funds for the Children's Centre. **WE** need everyone to participate.

Thanks to everyone who have been so diligent in going out to collect sponsorship funds, door prizes and goodie bag items. This is never an easy task. Marilyn has advised that her house has already been taken over by prizes. Remember to get the door prizes in to Marilyn as soon as you can. If possible, don't wait until the day of the Show to hand them in. For those of you still soliciting for sponsorship funds, please try to get them to Gloria before July 11th so that we have enough time to get the Sponsor Board made up with all the names of our participating sponsors. It usually takes a couple of weeks to have the Board created. Also, if you have goodie bag items get them to Wendy by July 15th so that the bags can be made up.

Please continue to hand out the show flyers when you attend any of the cruise nights or other car events. Don't forget, this is for **all** types of cars, not just Corvettes. Everyone is welcome.

Thanks!
